Experience the sights and sounds of the places where Jesus walked, prayed, suffered, and died.

Dr. Edward Sri is among a handful of pre-eminent evangelists in the Catholic Church and no one in our generation has spent more time studying and reflecting on the full significance of Christ's Passion and Death."

The new program was filmed on location in the Holy Land. It focuses on the Agony in the Garden, the Trial before Pilate, the Carrying of the Cross, and the Crucifixion at Calvary.

“Though we celebrate Christ’s Passion during Holy Week every year, we can easily lose sight of its profound meaning for our lives,” Dr. Sri said. “This new series examines some of the tough questions: Why did Christ have to die for us? What did His death accomplish? Why was He willing to do what He did?”

Dr. Sri is the Vice President of Formation for FOCUS, the Fellowship of Catholic University Students, and the author of a number of popular books on the faith, including:

*A Biblical Walkthrough the Mass;*

*Mary: A Biblical Walk with the Blessed Mother;*

“This new program is for anyone who wants to experience a deeper relationship with Christ, and experience more deeply his extraordinary love for each of us,” “After all, Christ’s Passion and Death is central to who we are as Christians.”
