How to Build a Culture of Life

Read the full version at respectlife.org/culture-of-life.

Watching the news and reading the headlines, we may feel helpless seeing the heartbreaking lack of respect for human life. *How do we respond?* Changing the culture is a process of conversion that begins in our own hearts. When we encounter Christ, experience His love, and deepen our relationship with Him, we become more aware of our own immeasurable worth and that of others. His unchanging love is the source of our God-given dignity, which, therefore, cannot be taken away. When someone is facing great trials, we need to walk with them on their journey, intercede for them, and be open to sharing Christ's love however He directs. We simply need to follow where He leads.

Our mission field is daily life.
